Assembly Directions

Print the sentences template on office paper. Print the words on cardstock. Place a magnet on the backside of each word. Magnetic strips can be purchased in the craft section of Walmart.

Sight Word Sentences

Provide the student with a sight word sentence template and the corresponding sight words (you may wish to put each set in a separate baggie). Place the sight words on the bottom strip in their corresponding space. Have the student read each sentence and determine which sight word best fits.
