

Turkey Rhyme Memory

These stickers are intended to be placed on the bottom of felt turkeys that can be purchased at Michael's Craft Store. To assemble this activity, print this sheet on a full sheet label (Avery 48165). Cut out circles and place one on the bottom of each turkey. If using the activity without the purchased turkeys, print the turkeys on cardstock, cut out stickers and turkeys and place the stickers on the back side of each turkey.

To play the game, place the turkeys in rows on the table. Players take turns turning over two turkeys. If the pictures rhyme, the player can keep the turkeys. If they do not rhyme, the turkeys are returned. Players continue to take turns until all the matches are made. The player with the most turkeys wins.
