

Phonics

File Folder Phonics Bundle

Activities for Small Group Intervention

www.blog.maketaketeach.com

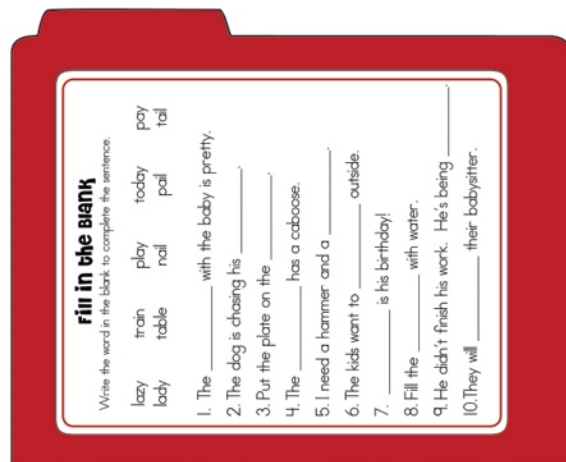

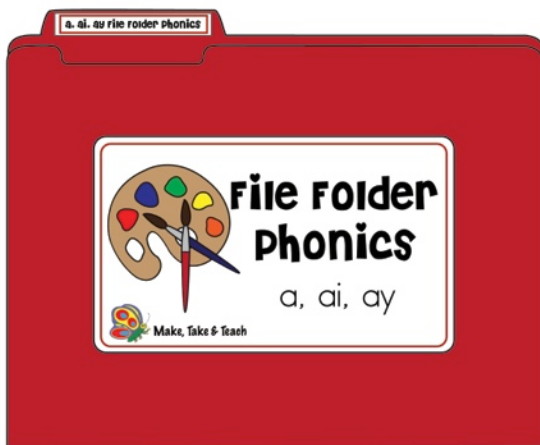

Directions

You Will Need:

- 10 file folders. I chose to use color file folders and matched the borders to the file folder. The teal border was designed for the yellow file folders.
- Velcro strips
- Dry erase marker for each activity
- Small baggies for storing the word cards
- Optional: brass clasps to clip baggies on file folders

Assembly Directions:

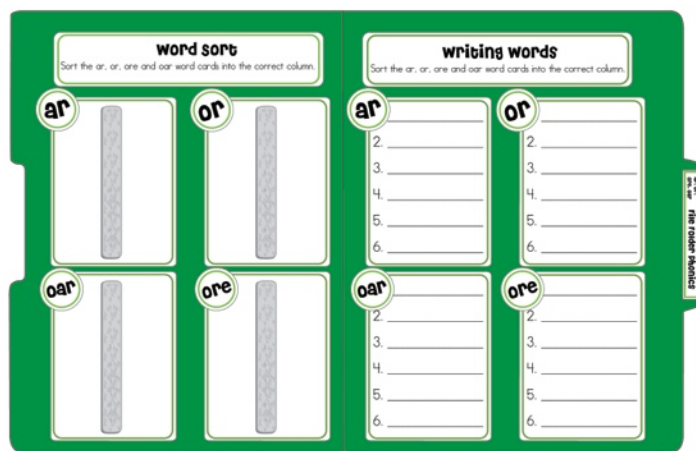

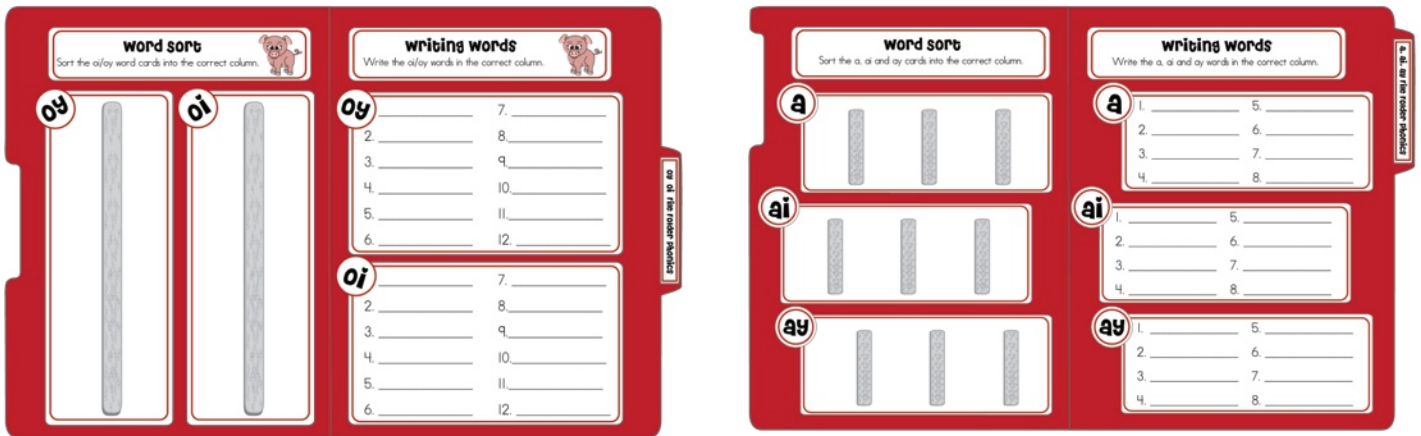

- Print pages 4-43 on office paper
- Print pages 44-53 on cardstock
- Cut templates from pages 4 to 43 along the dotted lines
- Glue the file title on the front of each file folder activity
- Glue the activity tab on the tab of the file folder
- Glue the fill-in-the-blank template on the back of the file folder as shown below.

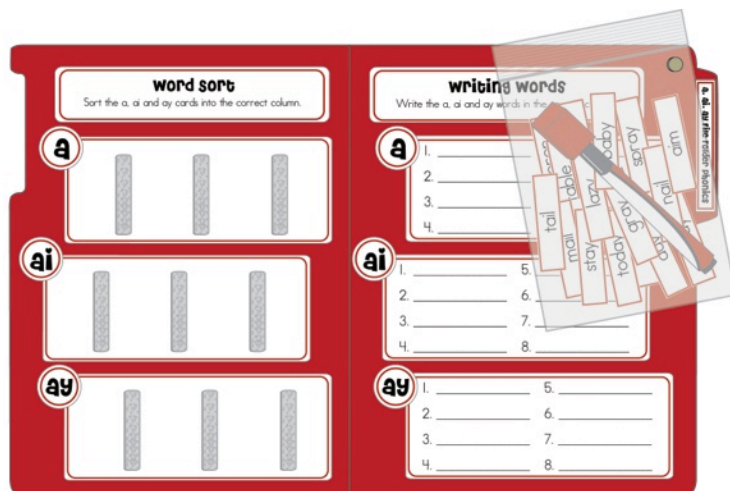

- Laminate the word cards and place a rough side velcro on the back side of each word card.

- Sorting and writing templates have either 2-, 3- or 4 areas. Glue templates on the inside of the file folder as shown
- Laminate the file folders
- Place velcro strip(s) (soft side) on the sorting templates as shown below:

- Place the word cards and dry erase marker in the baggie
- Punch a hole on the upper right hand corner of the file folder and a hole in the upper right hand corner of the baggie. Using the brass clasp, clip the baggies on the folders.
